<http://www.tsfx.com.au/hsc-study-tips>

Illuminate Nextgen Challenge

Central Coast . 8 to 12 May

Newcastle. 15 to 19 May

Dubbo. 13 to 16 June

The flagship education program of illuminate Education & Consulting is the nextgen Challenge, where we put students into teams to develop a business that solves a problem in our community in five days. To prove the effectiveness of the business, students have to produce a business plan with two years of financial forecasting, deliver a sales pitch, create elements of a marketing strategy including radio and newspaper advertisements, all while undertaking a number of smaller challenges along the way.

<http://illuminate.education/nextgensw/>

Lattitude Global Volunteering

Lattitude Global Volunteering (formerly known as Gap Activity Projects) is an international youth development charity. Their mission is to educate and develop young people worldwide by providing inclusive opportunities for them to make a positive difference to the lives of others through a challenging and structured international volunteering experience in a culture and community different from their own.

<https://lattitudeaustralia.org/>

WEP Student Exchange Scholarships

WEP Australia, a not-for-profit student exchange organisation registered with the NSW Education Department, is now accepting applications from year 9 and year 12 students wishing to spend a semester or year overseas from January 2018 onwards. For more information, please visit www.wep.org.au, email info@wep.org.au or call 1300 884 733.

Get your School Involved World Challenge

Educational expeditions to over 40 destinations around the world. From the snow-capped peaks of the Himalayas to the lush Amazon rainforest and the scorched deserts of Africa, they have the expertise to take you there. They create bespoke expeditions abroad, tailored precisely to your team's objectives, or you can choose from our range of pre-crafted itineraries.

<http://www.worldchallenge.com.au/about-world-challenge/contact-us/>

Minerals Tertiary Education Council

Maybe you're a high school student trying to figure out what you might like to study at University. MTEC.org.au is here to help – from offering useful resources through to connecting you with your peers and other professionals within Australia's minerals industry.
